WORK EXPERIENCE

Front-end Developer (ReactJS Developer) SafEarth Clean Technologies Pvt Ltd

06/2020 - Present

Bangalore, Karnataka

Projects:

- **1. Auction Platform:** This is a platform for those who are either willing to install a solar power plant (a.k.a. Consumer Platform) or willing to participate as a vendor to bid for getting such a solar project through an auction process (a.k.a. Vendor Platform).
- Worked on the SEO and the Documentaion of the Auction Platform.
- Technologies used here are React, Redux, Webpack, Material-UI, Bootstrap, Semantic UI.
- **2. Project Management Tool (PMT):** This is an app that keeps track of solar projects' progress from the stage of DPR preparation to the handover of the solar power plant to the consumer.
- Technologies used in PMT are React, Redux, React-Redux, Ant Design, Material-UI, LESS preprocessor.
- **3. PMT Mobile App:** This is the mobile app for the PMT web app.
- Technologies used here are React Native, React Navigation, Redux.

Sherpa Teaching Assistant Masai School

02/2020 - 06/2020

Patna, Bihar

Achievements/Tasks

- Supported students in their initial phase of learning through live interactive sessions and personalised guidance.
- Main focus was on their capacity building and avoiding negative emotions that students encounter in their initial phase of learning.

EDUCATION

Full Stack Web Development Masai School

10/2019 - 04/2020

Bangalore

Description

- During this course, I have gained 1000 hrs of hands-on coding experience, 100 hrs of Soft Skills Training, and 100 hrs of Data Structures and Algorithm sessions to get a decent understanding of Data Structures.
- Throughout the journey, I have also made around 8 projects and 1 Hackathon Project.

CSE Preparation Vajiram & Ravi

08/2016 - 06/2019

Delhi

Description

- In this period I prepared for Civil Services Examination. Though I was unable to clear the examination, the journey itself transformed my personality completely. In conclusion, I will say it broadens my worldview and inculcated Patience, Perseverance, Analytical Skills, and Effective Writing Skills.
